2 · Blacklists and freezes

Blacklists, freezes, releases, and seizures involving this address. Current active contexts are shown first; historical lifecycles show the original blacklist/freeze before the unblacklist/unfreeze when both records are available.

NONE

Seizure records

NONE

No blacklist, freeze, unblacklist, or seizure events found.

3 · Whitelists

Real-world-asset (RWA) issuers gate who may hold a permissioned token via an on-chain allowlist. An approved investor is typically whitelisted once per tokenized security — often many in a single batch — so these are eligibility credentials, not enforcement, and do not change the sanctions or blacklist result.

No whitelist or allowlist records found.

7 · Chain coverage

Some wallet addresses can be used on more than one related network. For each supported network checked, this table shows the latest block height and UTC block time our system read for this report, then the direct sanctions/blacklist/freeze status for that chain.

The direct official sanctions match is confirmed. This report is complete for its intended scope: direct official sanctions screening of the TRON address.

8 · Report integrity

Limitations & scope

This report presents source-cited screening facts as of the stated data snapshot. "Certified" refers to Eagle Virtual's cryptographic signature over this point-in-time snapshot — verifying its origin and integrity (tamper-evident) — not a government certification, notarization, legal opinion, or guarantee of completeness. Coverage is limited to the sources, chains, and tokens listed in this report; blockchain and source data can be incomplete, delayed, reorganized, corrected, or updated after the snapshot. A result labeled "NONE" — or a statement that no direct sanctions, blacklist, freeze, or seizure record was found within certified coverage — means no such match was found at the snapshot time, not that an address is risk-free. This document is not legal advice, and no guarantee of admissibility in any proceeding is made; screening decisions remain the responsibility of the recipient. Full terms: eaglevirtual.com/eer-terms.
